SEGRET

the border controls at SCHOENEFELD were normal and only	personal
identification documents were checked.	
the population in the vicinity of WEISSENF	ELS and 50X1-HUM
NAUMBURG is very disturbed about the Soviet note on Berli	in <b>additional</b>
and the resulting situation; generally, it is feared that diff	
arise which could lead towar.	
In the case of the troops stationed in WEISSENFELS, no ow	e rtly
apparent changes could be determined. The Soviets (officers a	
continue to have leave, sit frequently in restaurants (rarely	A * '
and the second	in dance halls),
but are behaving quietly.	50X1-HUM
a transport arrived	in WEISSENFELS
by rail (place of origin unknown) and was unloaded. The trans	sport
included 15 (YA-12 or 13 prime movers) tracked vehicles, 4 tru	acks and about
200 officers and men, who were stationed in the SELAUER Strass	se barracks. 50X1-HUM
Other than the above, unable to observe any arriva	als or departures
of troops.	
no So <b>vi</b> et	airfield
was located near WEISSENFELS; the nearest field is at MERSEBU	JRG and
houses jet fighters (types and number not known).	50X1-HUM
